Please note that payment for this trip will be required FOUR WEEKS in advance.

There are only 18 single rooms available meaning there will almost certainly be more people wanting singles than those available. If you would be willing to share a twin room, please indicate this.

£380 in twin room accommodation

£435 in single room accommodation

To include all golf, food and accommodation
36 places available, allocated as shown overleaf

It is expected that all players are to play in all the matches. Anyone wanting to play only 18 holes per day should ideally find someone else who is also willing to do this before signing-up to this trip.

Please note that handicap certificates may be requested, so if you don't have a club handicap, you should try to get a certificate from another source if possible. The golf clubs are aware that not all of those attending have current handicaps but it would still be a good idea to have as many people as possible who are able to provide a certificate if these are asked for.

Most courses we play on tour do insist on handicap certificates, although we've never actually been asked to produce these. However, I'm giving you all warning just in case a club decides to be really strict.

Places will only be reserved when a £60 deposit has been received.

Name: (please make cheques payable to Barton under Needwood Golf Society or BUNGS)

- Reserve a place in a twin room (sharing with) for The Yorkshire trip and I enclose a £60 deposit
- Reserve a single room (only 18 single rooms available on 'first-come first-served' basis) and I enclose a £60 deposit
- I'd prefer a single room but would be willing to share a twin if necessary

SCARBOROUGH SOUTH CLIFF CLUB

Deepdale Avenue, Scarborough, YO11 2UE

3 miles and approx 10-15 minutes from the hotel

Scarborough South Cliff is located just a mile south of the seaside town of Scarborough on the Yorkshire coast and, as such, has a links style feel to it. It spans 6039 yards over eighteen immensely challenging holes for which it offers a par of 70. Many people comment on the excellent design of the course which was thought up by esteemed golf course architect Dr. Alistair Mackenzie at the beginning of the twentieth century. Indeed, the course has existed here for over one hundred years, and, in actual fact, celebrated its centenary year in 2003.

GANTON GOLF CLUB

Ganton, Near Scarborough, YO12 4PA

11 miles and approx 20-25 minutes from the hotel

The original course at Ganton was laid down in 1891 by Tom Chisholm of St

Andrews it seems and since then, every golf architect known to man has had a

hand in redesigned at some stage; James Braid, Harry Vardon, JH Taylor, Dr Alister

MacKenzie, Harry Colt and Frank Pennick to name but a few. The host to the Ryder

Cup in 1949, the Curtis Cup in 2000 and Walker Cup in 2003, along with numerous

other amateur events, it is a wonderful test of wit and nerve and among the finest

courses in England. Gary Player once said that Ganton was the only inland course in

the United Kingdom worthy of holding the Open Championship. High praise indeed.

SAND MOOR GOLF CLUB

Alwoodley Lane, Leeds, Yorkshire, LS17 7DJ

68 miles and approx 1 hour 40 minutes from the hotel

Sand Moor Golf Club first opened its doors to the public in 1926 to reveal a wondrous golf course, designed by the legendary golf course architect Dr. Alistair Mackenzie, responsible for some of the finest and most famous courses in the world.

It gives marvellous views over the Exxup reservoir and the grounds of Lord Harewood's Estate, just five miles to the north of Leeds. It is a well wooded, undulating course, with water to be found on many of the holes.

Watch out in particular for the 12th where the fairway slopes down perilously close to the reservoir. It is perhaps best to pack some spare balls in your bag before teeing off!
