Payment for this trip will be required FOUR WEEKS in advance.

There are 20 single rooms available and typically we have more people wanting singles than those available. If you would be willing to share a twin room, please indicate this.

£380 in twin room accommodation

£440 in single room accommodation

To include all golf, food and accommodation
32 places available, allocated as shown overleaf

It is expected that all players are to play in all the matches. Anyone wanting to play only 18 holes per day should ideally find someone else who is also willing to do this before signing-up to this trip.

Please note that handicap certificates may be requested, so if you don't have a club handicap, you should try to get a certificate from another source if possible. The golf clubs are aware that not all of those attending have current handicaps but it would still be a good idea to have as many people as possible who are able to provide a certificate if these are asked for.

Most courses we play on tour do insist on handicap certificates, although we've never actually been asked to produce these. However, I'm giving you all warning just in case a club decides to be really strict.

Places will only be reserved when a £75 deposit has been received.

POWFOOT GOLF CLUB

Cummertrees, Annan, Dumfries and Galloway, DG12 5QE

14 miles and approx 25 minutes from the hotel

James Braid designed Powfoot at the beginning of the 20th Century, with the inception of the golf club occurring in 1903. 3rd best course in the Dumfries and Galloway county this part parkland, part links course winds its way through an extensive plain of sand. The greens are ample in size, with gorse and large bunkers providing the main hazards for errant shots. During the summer months, Powfoot is typical bump and run territory. When the wind blows off the Irish Sea and the Solway Firth, the golfing prowess of even the best golfer will be severely tested.

SOUTHERNESS GOLF CLUB

Cliffe Terrace, Southernness, Dumfries, DG2 8AZ

15 miles and approx 29 minutes from the hotel

This fabulous links course near Dumfries could easily be described as 'Scottish golf's forgotten gem'. Those who have played it know the course's merits when it comes to being ranked among the best in the country but there are many who probably won't know about Southernness due to its geographical location.

Ranked as the best course in Dumfries & Galloway, the course runs along the Solway Firth and is renowned for its tough par-4s, eight of which measure in excess of 400 yards. Both the Scottish Amateur Championship and Scottish Stroke-play Championship have been held here in recent years.

SILLOTH-ON-SOLWAY GOLF CLUB

The Club House, Station Road, Silloth, Cumbria, CA7 4AE

56 miles and approx 1 hour 20 minutes from the hotel

With spectacular views in every direction and a challenging sand-hills set course, it is easy to see exactly why Silloth on Solway's golf club can boast of being one of the best courses in Britain. This natural, unspoiled links course is as good as any you'll find and is a must play course.

Founded in 1892, Silloth is by far the best course in Cumbria and ranked 21st best in England, the fairways are lined by heather and bent, whin and broom, bunkers and sandy wastes. The greens play fast and true and invite daring tee shots. The par three ninth is extremely challenging with deep bunkers guarding the green from the elevated tee.
