10.40 AM Phil Latham	14.1	14
10.48 AM John Shaw	3.6	4
10.48 & 1.56 Graham Thorpe	23.5	24
Mike Fox	20.9	21
Ivan Wozniak	19.3	19

For those who are members of a golf club, remember that you play of the lower of either your society or club CONGU handicap.

For the morning 'practice' round we will again play in teams of three/four with scoring as follows:

### Holes 1-3

Only the best stableford score counts toward the team total

### Holes 4-6

Only the two best stableford scores counts toward the team total

### Holes 7-9

Three stableford scores count toward the team total

As usual, we'll all chuck-in a quid and the team with the highest score will take the money.

Any groups of two, both scores to count on all holes, then get an extra 10% on top of points scored. Any group of four play of

## SLOW PLAY

On nearly every golf day there seems to be a group or two that loses several holes and holds up the rest of the field behind them which is not fair on your fellow society members.

### 'Honour' Etiquette

Can we request that the etiquette of whoever has 'the honour' be relaxed and whoever is ready to play goes first. If a longer hitter has to wait whilst it would be safe for a shorter hitter to play, let the shorter hitter go first. This is to apply both on the tee and on the fairway.

As Neil is not there in the morning, suggest for the morning round that Phil joins the 10.40 group and John joins the 10.48 group and play in 2 x four-balls

It is the responsibility of the lowest handicapped player in each group to take charge of the pace of play. If you have lost ground, you need to let the group behind through and speed up your pace of play.
